**Re: *Donald Cantlin, Jr. v. Warren Pumps, LLC*  
U.S. District Court, Northern District Of California,  
Case No. 08-CV-0982-JCS**

Dear Mr. Beck:

On behalf of our client, Warren Pumps, LLC ("Warren"), we write to inform the Judicial Panel on Multidistrict Litigation ("the Panel") of the existence of a "tag-along" asbestos case currently pending in the United States District Court for the Northern District of California.

Plaintiff in the above-referenced matter has initiated a personal injury, asbestos-related action. Plaintiff claims that he was exposed to asbestos-containing products at his job sites. Thus, this action involves common questions of fact with numerous other asbestos actions previously transferred by the Panel pursuant to 28 U.S.C. § 1407. Accordingly, Warren requests that the Panel transfer this case to the Eastern District of Pennsylvania for consolidated pretrial proceedings.

This "tag-along" case was originally filed in the U.S. District Court for the Northern District of California on February 15, 2008. Pursuant to Rules 7.4(a) and 7.5(b) of the Panel's Rules of Procedure, the panel is authorized to enter a conditional transfer order or file an order to show cause why this action should not be transferred.

I enclose Warren's Notice of Tag-Along Action, which was filed with the U.S. District Court for the Northern District of California and served on plaintiff.

Michael Beck
